

# TK Gen2 Kitalpha Series

Instant, Sharp Handheld Thermal Imaging Monocular

Equipped with Guide's new self-developed infrared detector and the patented image processing technology, the TK Gen2 Kitalpha Series captures sharp imaging and is packed with powerful features like image and video recording, smooth zoom, pseudo-color adjustment, approximate ranging and PIP. Personalized image observation is supported in different scene modes. The builtin laser indicator and illuminator facilitate itself to be operated in harsh environment.

- New self-developed infrared metal detector with high sensitivity
- PureIR adaptive filtering algorithm for sharp images in complex environments
- Built-in laser indicator to locate the targets up to 200m
- 0.4-inch 1280x960 display for comfortable observation
- Differential buttons for easy operation in total darkness
- The connected app via WiFi for remote control, live image and video transmission
- Designed to be operated under extreme environmental conditions with IP66 and 1meter drop test

- Night Hunting
- Search & Rescue
- Law Enforcement
- Night Patrol
- **Outdoor Sports**
- Personal Security

## Specifications

opeenreacterie	
Model	TK421
Infrared Detector	
IR Resolution	400×300@17μm
Spectral Range	8 ~ 14µm
NETD	≤50mk @ F1 25°C
Lens	
Focal Length	25mm F1.1
Focus	Manual focusing
FOV	15.4°×11.6°
Frame Rate	
Output Frame Frequency	50Hz
Zoom	
Optical Zoom	1.7x
Digital Zoom	1x—4x
Visual Effect	It's like viewing at a 22" screen at a distance of 1m
Power Supply	
Battery Type	Built-in 2*18650 batteries with a capacity of 6,000mah
Battery Operating Time	Battery continuous working time $\geqslant$ 5 hours @ 25 °C (only observe the state)
Interface	
USB	Type C (USB 2.0 standard) interface, chargeable and data access
Video Interface	Micro HDMI
WIFI	Transmission of real-time video via WIFI, 2.4G frequency, distance up to 15m
External Extension	External display and external Bluetooth remote control
Mechanical Interface	1/4" tripod base port
Display	
Display	0.4", color LCOS screen
Resolution Ratio	1280×960
Monocular Eyepiece	Monocular, exit pupil distance $\geq$ 10mm, adjustable diopter -4~ + 2
Eyepiece Zoom	13.8x
Video Output	HDMI
Button	
Button	Switch/Up/Menu/Down/Photo/video
Functions	
Smooth Zoom	Available
Screen Brightness Adjustment	10 levels
Detector Brightness Adjustment	10 levels
Detector Contrast Adjustment	10 levels
Image Enhancement	Available
Scene Mode Adjustment	Three modes: Default, Enhanced, Highlight
Scene Mode Adjustment Super Power Saving	Three modes: Default, Enhanced, Highlight Available
