GUARANTEE OF THE LEICA CAMERA AG

Dear Leica customer,

Congratulations on your well-considered purchase. With the Leica laser rangefinder you have obtained a world-famous trademark product. Alongside your statutory guarantee rights towards your distributor, you will also receive a two-year guarantee from Leica Camera AG for this laser rangefinder, according to the conditions below. The Leica guarantee does not, therefore, affect your legal rights as a consumer under relevant national law, nor the consumer's rights in terms of the dealer, as detailed in the sales contract concluded between the two parties.

Yours sincerely,
Leica Camera AG

CONDITIONS OF THE EXTENDED GUARANTEE

With the purchase of this Leica laser rangefinder you have acquired a product which has been manufactured to special quality standards and checked at the various stages of production by experienced specialists.

For this product the Leica Camera AG provides a guarantee of two years. The period commences on the date of purchase from an authorized dealer and the guarantee is subject to the following conditions:

- 1) During the guarantee period we shall deal with complaints based on faulty manufacture (free of charge) by repair, replacement of defective parts, or replacement by an identical flawless product at our own discretion. Consequential claims, no matter what kind and of what legal argument, in connection with this guarantee, cannot be accepted.
- 2) Claims under guarantee are null and void if the defect has been caused by improper handling – which also can include the use of non-Leica accessories – if the laser rangefinder has been serviced by unauthorized persons or workshops, or if the serial number has been obliterated.
- 3) Guarantee claims can only be made by submission of this Guarantee Card which has been completed with date of purchase, address and signature of the authorized photo dealer.
- 4) When submitting claims under guarantee please return the Leica laser rangefinder together with the Guarantee Card and a description of the claim to the Customer Care department of Leica Camera AG or to a Leica Camera agency.
- 5) Tourists may, if required, make use of the agency of the country which they are travelling (within the terms of the guarantee of the Leica Camera AG) by presenting the Guarantee Card.
- 6) If required while staying in other countries, you can turn to the agency of that country (within the terms of the guarantee of the Leica Camera AG) by presenting the Guarantee Card.

DISPOSAL OF ELECTRIC AND ELECTRONIC EQUIPMENT

(Applicable in the EU and other European countries with separate collection systems)

This equipment contains electric and/or electronic parts and must therefore not be disposed of as normal household waste.

Instead, it should be disposed at the respective collection points for recycling provided by the communities. For you, this is free of charge.

If the equipment contains exchangeable (rechargeable) batteries, these too must be removed before and, if necessary, in turn be disposed of according to the relevant regulations (see also the respective comments in this unit's instructions).

Further information about the subject is available at your community administration, your local waste collection company, or in the store where you purchased this equipment.

For Australia only:

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
