SEE THE DIFFERENCE

As a Veteran and family owned business, Riton was built to be different and to stand-out from the competition in quality, value and service. We believe you deserve high quality optics at a great value and service that goes above and beyond every time.

At Riton, we have an unwavering passion for offering high quality optics and incredible service at the industry's most competitive prices. From our home base in Arizona, we strive to surpass your expectations with every interaction. We invite you to look through our crystal clear, Riton High Density glass, or talk with any of our team members about your adventurous outdoor stories. We are confident that you will appreciate the quality of our products and service.

"RITON WAS BUILT OUT OF THE BELIEF THAT A PERSON'S HARD-EARNED DOLLAR SHOULD BUY QUALITY OPTICS AND THE BEST SERVICE AT EVERY PRICE POINT."

Quality and Features that Perform Every Time

Whether you are aiming for a mile shot or on the hunt of a lifetime, Riton brings you quality optics with the features you need and the performance that will not let you down. Every Riton optic goes through a rigorous quality control process by a certified technician in Tucson, Arizona. The Riton quality control process includes a thorough dual inspection with every optic being tested and inspected twice prior to shipment.

RITON HD GLASS

The Riton High Density (HD) glass delivers 99.5% light transmission for enhanced clarity and optimal sight picture.

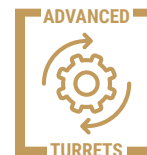

RITON HD/ED GLASS

The Riton High Density (HD)/Extra Dispersion (ED) glass delivers 99.5% light transmission with extra low dispersion for an enhanced color spectrum.

RITON PERFORMANCE COATING

Incorporating proprietary fully multi-coated lenses, all Riton optics feature low light enhancement, full wide band, anti-scratch and anti-reflective coatings for increased light transmission and overall lens performance.

RITON ADVANCED TURRET SYSTEM

The Riton Advanced Turret System incorporates Riton's Zero Stop turrets in one of multiple forms, ensuring repeatable tracking and accuracy.

RITON RUGGED CONSTRUCTION

The Riton Rugged Construction incorporates the application of enhanced materials, precision machined components, and superior finishes. These industry proven materials and process ensure the protection of the optics through the most rugged applications.

A Better Way to Buy

With the Riton Optics line there is no more guessing at what you should buy. We have created a buying guide within the product naming to simplify the selection process. The product naming is designated by two features: price and application.

APPLICATION DESIGNATION

The Riton Optics Application Series designates optics by their most common usage with each optic designed to fit specific needs.

PRIMAL SERIES

The Riton Optics Primal Series includes a full line of HUNTING optics with features such as lightweight optics, capped, zero resettable turrets, magnesium alloy binoculars, as well as other features and optics to suit all your hunting needs.

TACTIX SERIES

The Riton Optics Tactix Series features red dots and low power variable riflescopes to fulfill TACTICAL applications. The Tactix Series is optimal for short range shooting and tactical weapons platforms, providing compact optics with features such as illuminated reticles and tactical reticles.

CONQUER SERIES

The Riton Optics Conquer Series is for those shooters seeking ultimate precision to conquer any distance or competition. With maximum magnifications ranging from 15 to 32 power, the Conquer optics are meant for PRECISION LONG DISTANCE shooting.

PRICE DESIGNATION

Riton is committed to providing the industry's best value optics at every price point. The Riton Optics X designation is an simple price point indication for each product to help you quickly navigate the product line and find the optic that is right for you.

2021 ACCESSORIES

RITON 30MM/1IN QD MOUNT

One-piece, rapid deployment option for scopes with a 30mm or 1-inch tube diameter

RITON SCOPE RINGS

Available in High, Mid and Low heights, Riton's Scope Rings come in two sizes: 30mm and 1 inch

RITON BY CONTESSA HARDENED STEEL SCOPE RINGS

Precision machined from hardened steel, these 30mm and 34mm rings are available in three heights

RITON BY CONTESSA LIGHT SCOPE RINGS

Precision machined from 7075 aluminum, these 30mm and 34mm rings are available in three heights

RITON BY CONTESSA TACTICAL SCOPE RINGS

Available in 10mm height with a bubble level, these performance rings are designed for competition and tactical shooting

RITON BY CONTESSA MOUNTS

Available in both bolt-on and quick disconnect, these mounts come in two sizes and options for 0 MOA and 20 MOA

RITON BY CONTESSA 45° OFFSET PICATINNY RAIL

Precision machined mounting option, only compatible with Riton by Contessa Mounts and Tactical Scope Rings

RIFLESCOPE SUNSHADE

Sunshade to help shade the objective lenses and reduce glare

RIFLESCOPE FLASH KILL

Flash Kill to reduce the reflection of the objective lenses and provide for concealment

BINOCULAR HARNESS

Comfort straps to allow for slide and flex, along with quick release connectors

BINOCULAR TRIPOD ADAPTER

Adapter for conversion of handheld/slung binoculars to a tripod for more stable glassing platform

THE RITON PROMISE

As a company founded by Law Enforcement and Military Veterans, we take our commitment to service seriously.

At Riton, we take pride in providing service that exceeds your expectations and reminds you of times when good service was not a rarity.

While the Riton promise runs deep to the company's foundation, the core of our promise is simple: we promise to be here for you. Whether it's a pre-purchase conversation to help answer your questions or a chat about your amazing stories from the field, we will be here to listen and help.

As a part of this promise to you, we created rugged, durable optics to take you through all of your adventures. However, as shooters and hunters ourselves, we know accidents happen and we want to make sure that you know we are here for you through those times as well. That's the reason we created the industry's best warranty.

THE RITON PROMISE WARRANTY IS A COMMITMENT TO YOU:

- We promise there will be no proof of purchase or registration required.
- We promise that you will receive a brand-new product replacement; you will never receive a repair or refurbished product from Riton.
- We promise to ship your replacement within 48 business hours of receiving your return.
